Institutional Information

The Center for Professional Education and Training (CPET) is the Polytechnic University's liaison with the industry and professionals in Puerto Rico. The purpose of the CPET is to provide a continuous learning experience to effectively adapt our professional's technical skills and knowledge to the new technological and socioeconomic challenges.

To comply with our objective, in addition to our competitive biannual short courses program, we offer a variety of customized educational activities for corporate clients. Seminars, technical workshops and courses are tailored to your organization's needs. Considering the Polytechnic University's institutional expertise in engineering, architecture and business administration, our competitive course catalog covers different topics in project management, facilities maintenance and construction, human capital planning, energy management, quality and compliance and technology, useful for all industries.

Enrollment

Step 1:

Fill the Enrollment Form. You can download it from our [website](#). Remember to complete all contact and payment information before sending the Form.

Step 2:

3 ways you can deliver the Form

In Our Offices (Alhambra St.)

By Fax (787)294-1816

By Email

jserrano@upr.edu
almorales@upr.edu

Step 3:

A Confirmation will be send to the e-mail provided in the Enrollment Form.

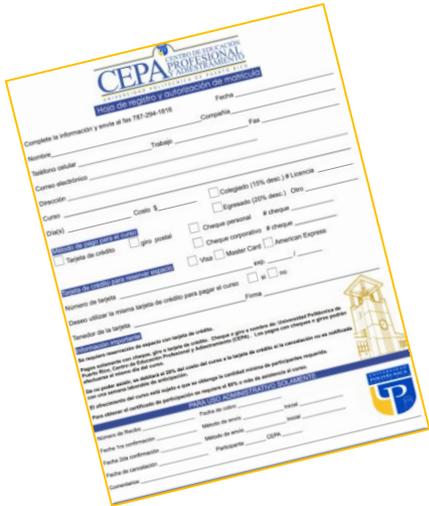

Important

All courses require a minimum enrollment. If the course you selected does not have the minimum enrollment the contact information will be saved in our records for:

1. Reschedule the course in the present or next semester.
2. Promoting courses and activities in the same area of interest

Cancellations must be submitted in writing via e-mail or fax. A 20% fee will be charged if the cancellation request is received four days prior to the course start date. A 50% fee will be charged if the cancellation request is received within three two or one day prior the course start date.

Remember Our Discounts

10%	Corporate Discount for organizations that enroll 3 or more participants in the same educational activity	
10%	NSHMBA Members	
15%	CIAPR & CAAPPR Members	
20%	PUPR Alumni	

Special Promotions

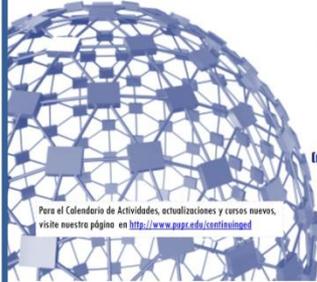

Curso Preparatorio para la Certificación de

Project Management Professional (PMP®)

en la Universidad Politécnica

La gerencia de proyectos o *project management* es una disciplina de alta demanda en el mundo laboral. En *project management* se integran todos los conceptos y herramientas necesarios para elaborar y llevar a cabo un proyecto en cualquier industria.

Ahora es el momento para certificarse en el área de *project management*. La Universidad Politécnica, en colaboración con el Project Management Institute - Capítulo de Puerto Rico, te ofrece el curso preparatorio para la altamente calificada certificación de *Project Management Professional (PMP)*. Para beneficio de nuestros clientes, se contará con tres (3) grupos del Curso Preparatorio para la Certificación de *Project Management Professional* durante el semestre de Enero a Julio de 2012.

1º Grupo (sábados): Costo: \$750.00*

Horario de 8:00am a 5:00pm

Febrero 16, 23, Marzo 2, 9 & 16

2º Grupo (sábados):

Horario de 8:00am a 5:00pm

Abril 27, Mayo 4, 11, 18 & 25

3º Grupo

(día de semana/tardecas):

Lun - Vier de 5:30pm a 9:30pm

Junio 3 al 14

* (1) 10% descuento disponible al cumplir: 20% para Egresados, 15% para Colegidos del CIAPR y 10% Corporativo para empresas que matriculen a 3 o más empleados en una misma actividad educativa programada.

Para información sobre estos y otros cursos de nuestra oferta de educación continua pueden escribir o comunicarse con:

Joaquín Serrano (787) 622-8000 ext. 470
jserrano@upr.edu
Alexis Morales (787) 622-8000 ext. 429

Para el Calendario de Actividades, actualizaciones y cursos nuevos, visite nuestra página en <http://www.pupr.edu/continuinged/>

Curso Preparatorio para

Certified Associate in Project Management (CAPM®)

en la Universidad Politécnica

Eleva tu carrera profesional a otro nivel. El Centro de Educación Profesional y Adiestramiento (CEPA) de la Universidad Politécnica ofrece el Curso Preparatorio para los que interesados en obtener la competitiva certificación *Certified Associate in Project Management (CAPM®)* del Project Management Institute. Si eres estudiante, o profesional que recientemente te has incorporado al mundo laboral y deseas adquirir conocimientos en el campo de la gerencia de proyectos, esta certificación es para ti. En el curso se ofrecen todos los conceptos metodológicos básicos de la gerencia de proyectos para que puedas aprobar el examen de certificación.

Grupo 1: Abril 6, 13 & 20

Horario: Sábados

8:00 a.m. - 5:00 p.m.

Grupo 2: Julio 29, 30, 31 y 1ro de Agosto

Horario: Días de semana (tardecas)

5:30 p.m. - 9:30 p.m.

Te exhortamos a visitar siempre nuestra página de internet <http://www.pupr.edu/continuinged/>

para actualizaciones y nuevos cursos. Para más información sobre el Curso Preparatorio de CAPM y para información sobre nuestra oferta de cursos profesionales puedes comunicarte al (787) 622-8000 con:

Joaquín Serrano Ext. 470

Certificación en Ingeniería de Puentes utilizando CSiBRIDGE

Ahora tenemos disponible la Certificación en Ingeniería de Puentes utilizando CSiBRIDGE. En este curso los participantes adquirirán los conocimientos teóricos y las destrezas técnicas en ingeniería de puentes utilizando una de las herramientas tecnológicas más avanzadas y versátiles para el diseño de estas estructuras. Con CSiBRIDGE V15 se puede crear el modelo analítico, efectuar el análisis y diseñar el puente, todo esto integrado en un solo software.

Este curso consta de cuatro (4) módulos que guían paso a paso a través de todo un proceso de aprendizaje ordenado y sistemático para una mayor comprensión, teoría y práctica en el diseño de puentes usando como herramienta el CSiBRIDGE.

Facilities & Equipment Maintenance

In this area the participant will have access to knowledge in the use of better materials, new procedures and technologies to reduce maintenance cost of equipment and facilities.

Course	Cost	Contact Hours	Days/Hour	Dates
Operational & Maintenance Best Practices – Part I	\$ 50.00	4 Hrs.	Saturday 9:00am – 1:00pm	March 2
Operational & Maintenance Best Practices – Part II	\$ 140.00	4 Hrs.	Saturday 9:00am – 1:00pm	March 16
Preventive Maintenance for Elevators	\$ 50.00	4 Hrs.	Saturday 9:00am – 1:00pm	March 9
Selection Criteria for Vertical Transport	\$ 150.00	6 Hrs.	Saturday 9:00am – 4:00pm	April 20
Lightning, HVAC and Plumbing in High Performance Sustainable Design	\$ 140.00	4 Hrs.	Saturday 9:00am – 1:00pm	May 18
Inspection of Elevators and Electric Stairs	\$ 750.00	40 Hrs.	Saturdays 8:00am – 5:00pm	June 1, 8, 15, 22, 29
Fundamentals of Machinery Vibration	\$ 195.00	8 Hrs.	Weekdays 5:30pm – 9:30pm	June 11 & 12

Energy Management

Energy management is one of the most important issues for economic and social development. In this area you will find innovative courses and workshops that will help develop practical capacities to facilitate the transition to cleaner and more efficient energy technology.

Course	Cost	Contact Hours	Days/Hour	Dates
Electrical System Based on 2008 NEC	\$ 200.00	7 Hrs.	Saturday 8:00am – 4:00pm	February 23
Residential Electricity and Electrical Wiring	\$ 350.00	21 Hrs.	Saturdays 8:00am – 4:00pm	April 6, 13 & 20
Introduction to LEED Process – Group 1	\$ 250.00	8 Hrs.	Saturday 8:00am – 5:00pm	April 13
Introduction to Photovoltaic Systems	\$ 250.00	8 Hrs.	Saturday 8:00am – 5:00pm	April 20
Introduction to LEED Process – Group 2	\$250.00	8 Hrs.	Weekdays 5:30pm – 9:30pm	July 23 & 24

Construction & Sustainability

This area integrates construction and sustainability topics in one of the most complete set of courses. In addition to the technical skills for construction of bridges, roads, houses and buildings, this set of courses incorporates sustainability topics to integrate them in the urban dynamics.

Course	Cost	Contact Hours	Days/Hour	Dates
Reading and Interpretation of Drawing Sheets	\$ 195.00	8Hrs.	Saturdays 8:00am – 5:00pm	February 23
Preventing and Detecting Construction Vices	\$ 395.00	21 Hrs.	Fridays 8:00am – 4:00pm	March 1, 8 & 15
Construction Cost Estimating	\$ 520.00	28 Hrs.	Saturdays 8:00am – 4:00pm	March 2, 9, 16 & 23
Bridge Engineering Certification Using CsiBridge	\$ 495.00	40 Hrs.	Weekdays 8:00am – 5:00pm	March 4 , 5, 6, 7 & 8
Introduction to Planning, Design & Implementation of Bus Rapid Transit	\$ 195.00	3 Hrs.	Wednesday 6:00pm – 9:00pm	March 6
Construction Survey I	\$ 150.00	8 Hrs.	Friday 8:00am – 5:00pm	March 15

Construction & Sustainability

This area integrates construction and sustainability topics in one of the most complete set of courses. In addition to the technical skills for construction of bridges, roads, houses and buildings, this set of courses incorporates sustainability topics to integrate them in the urban dynamics.

Course	Cost	Contact Hours	Days/Hour	Dates
Construction Project Sustainability Guidelines	\$ 300.00	24 Hrs.	Fridays 8:00am – 5:00pm	April 12 & 19
Parking Design Guidelines	\$ 225.00	8 Hrs.	Weekdays 5:30pm – 9:30pm	April 11 & 12
Introduction to Land Management Plans (Planes de Ordenamiento Territoriales - POT's)	\$ 35.00	3 Hrs.	Wednesday 6:00pm – 9:00pm	April 17
Construction Project Inspection	\$ 300.00	14 Hrs.	Fridays 8:00am – 4:00pm	April 26, May 3 & 10
Asphalt Pavements and Mixtures (NEW!)	\$ 275.00	15 Hrs.	Friday-Saturday 6:00pm – 9:00pm	May 3 & 4
Critical Path Method (CPM) : Construction Scheduling	\$ 390.00	18 Hrs.	Saturday 9:00am – 4:00pm	May 4, 11 & 18
Road Safety	\$ 275.00	12 Hrs.	Weekdays 5:30pm – 9:30pm	July 3 & 4

Occupational Safety & Security

This is a unique area specialized in standards and regulations in occupational safety and security. Our courses comply with OSHA and other institutions requirements concerning this important area of operations.

Course	Cost	Contact Hours	Days/Hour	Dates
10 Hr. OSHA Certification – General Industry (29CFR 1910)	\$ 175.00	10 Hrs.	Weekdays 5:30pm – 9:00pm	March 5, 6 & 7
30 Hr. OSHA Certification – General Industry (29CFR 1910)	\$ 525.00	30 Hrs.	Saturdays 9:00am – 4:00pm	February 23, March 2, 9, 16 & 23
10 Hr. OSHA Certification – Construction Industry (29CFR 1926)	\$ 175.00	10 Hrs.	Weekdays 5:30pm – 9:00pm	June 11, 12 & 13
30 Hr. OSHA Certification – Construction Industry (29CFR 1926)	\$ 525.00	30 Hrs.	Saturdays 9:00am – 4:00pm	May 18, 25, June 1, 8 & 15
Rescue in Elevators**	\$ 50.00	4 Hrs.	Friday 9:00am – 1:00pm	May 17
Accident Investigations and Safety Meetings	\$ 125.00	5 Hrs.	Friday 8:00am – 1:00pm	May 17

Human Capital Management

This courses are oriented toward the integration of institutional assets to the human capital in an organization to be more productive and efficient. The student will learn to develop new policies, and apply new organizational theories and manage its paradigms.

Course	Cost	Contact Hours	Days/Hour	Dates
Assertive Communication Skills	\$ 165.00	8 Hrs.	Saturday 8:00am – 5:00pm	February 16
Developing Personnel Policies and Strategies	\$ 150.00	7 Hrs.	Saturday 8:00am – 4:00pm	February 23
Human Capital Planning	\$ 150.00	7 Hrs.	Saturday 8:00am – 4:00pm	March 9
Effective Personnel Supervision	\$ 165.00	7 Hrs.	Saturday 8:00am – 4:00pm	April 13
Building High Performance Teams	\$ 165.00	8 Hrs.	Saturday 8:00am – 5:00pm	May 4

Process Automation

This specialized area of the program focuses on the automation processes and technology for the industry.

Course	Cost	Contact Hours	Days/Hour	Dates
PLC Programming	\$ 480.00	21	Fridays 8:00am – 4:00pm	February 22, March 1 & 8
Process Instrumentation	\$ 200.00	7	Saturday 8:00am – 4:00pm	April 27

Quality & Compliance

The courses and seminars in this area focus on the theories, paradigms and methodologies for quality process in any industry.

Course	Cost	Contact Hours	Days/Hour	Dates
Risk Management for FDA Regulated Industry: A Risk Periodization Process	\$ 250.00	8	Saturdays 8:00am – 5:00pm	March 23
Corrective Action and Preventive Action (CAPA): Regulated Industry	\$ 225.00	7	Saturdays 8:00am – 4:00pm	April 13
Validation Based on Risk Management Approach	\$ 250.00	8	Saturdays 8:00am – 5:00pm	April 20
Progressive Root Cause Analysis (RCA)	\$ 250.00	8	Saturdays 8:00am – 5:00pm	May 4
PAT Certification – X Edition (48 Contact Hours)	For more information: manuel@ibscaribe.com www.ibscaribe.com (787) 245-1841		This certification is a program designed for the Pharma, Bioscience and Medical Devices industry professionals.	

Quality & Compliance

In this area within Quality & Compliance we offer the complete set of Lean Six Sigma courses professionals in all levels of the organization and projects. Our courses include the Professional Certification.

Course	Cost	Contact Hours	Days/Hour	Dates
Introduction to Lean Six Sigma	\$ 150.00	7	Friday 8:00am – 4:00pm	March 8
Lean Six Sigma Yellow Belt	\$ 975.00	24	Weekdays 8:00am – 4:00pm	May 8, 9 & 10
Lean Six Sigma Green Belt	\$ 1,600.00	48	Saturdays 8:00am – 4:00pm	February 2, 9, 23, March 2, 9 & 23
Lean Six Sigma Black Belt	\$ 2,950.00	80	Fridays & Saturdays 8:00am – 4:00pm	April 12, 13, 26, 27, May 3, 4, 18, June 1, & 22

Project Management

The most comprehensive set of courses in project management. In this section you can find Preparatory Courses for PMI certifications and other courses to complement managerial and technological skills in this multidisciplinary area of project management.

Course	Cost	Contact Hours	Days/Hour	Dates
PMP Certification Preparatory Course – Group 1	\$ 750.00	40Hrs.	Saturdays 8:00am – 5:00pm	February 16, 23, March 2, 9 & 16
Earned Value Management	\$ 295.00	16Hrs.	Weekdays (Evenings) 5:30pm – 9:30pm	March 4, 5, 6 & 7
CAPM Preparatory Course – Group 1	\$ 450.00	24Hrs.	Saturdays	April 6, 13 & 20
PMP Certification Preparatory Course – Group 2	\$ 750.00	40Hrs.	Saturdays 8:00am – 5:00pm	April 27, May 4, 11, 18, & 25
PMP Certification Preparatory Course – Group 3	\$ 750.00	40Hrs.	Weekdays (Evenings) 5:30pm – 9:30pm	June 3 through 14
Managing Projects with MS Projects 2010	\$ 550.00	24Hrs.	Weekdays (Evenings) 6:00pm – 9:00pm	June 3, 4, 5, 6, 10, 11, 12 & 13
CAPM Preparatory Course – Group 2	\$ 450.00	24Hrs.	Weekdays (Evenings) 5:30pm – 9:30pm	July 29, 30, 31 & August 1

Computers, Programming & Software Applications

Everything from programming to software applications in order to help professionals improve technological skills.

Course	Cost	Contact Hours	Days/Hour	Dates
Advenced Excell	\$ 95.00	8	Friday 8:00am – 5:00pm	February 22
Introduction to Web Programming Using PhP & MySQL	\$ 360.00	30	Fridays 8:00am – 4:30pm	March 1, 8, 15 & 22
Basic AutoCAD	\$ 450.00	21	Fridays 8:00am – 4:00pm	March 8, 15 & 22
Advanced AutoCAD	\$ 325.00	14	Fridays 8:00am – 4:00pm	April 12 & 19
Basic Acsess	\$ 95.00	8	Friday	June 7
Introduction to SQL using My SQL	\$ 195.00	8	Friday	May 3

Ethics & Legal Aspects

This area focuses on legal and ethical aspects of the engineering and other related professions. The participant will understand the interaction of rights, professional practice and institutions in our society.

Course	Cost	Contact Hours	Days/Hour	Dates
Informes Periciales – Reglas de Evidencia en PR (Grupo 1)	\$ 195.00	12	Weekdays 6:00pm – 9:00pm	March 4, 5 & 6
Construction Inspector and the Contract: Legal Aspects	\$ 300.00	14	Saturdays 8:00am – 4:00pm	April 13 & 20
Informes Periciales – Reglas de Evidencia en PR (Grupo 2)	\$ 195.00	12	Saturdays 9:00am – 3:00pm	May 4 & 11
