Awarded Graduate Degrees per Program per Year

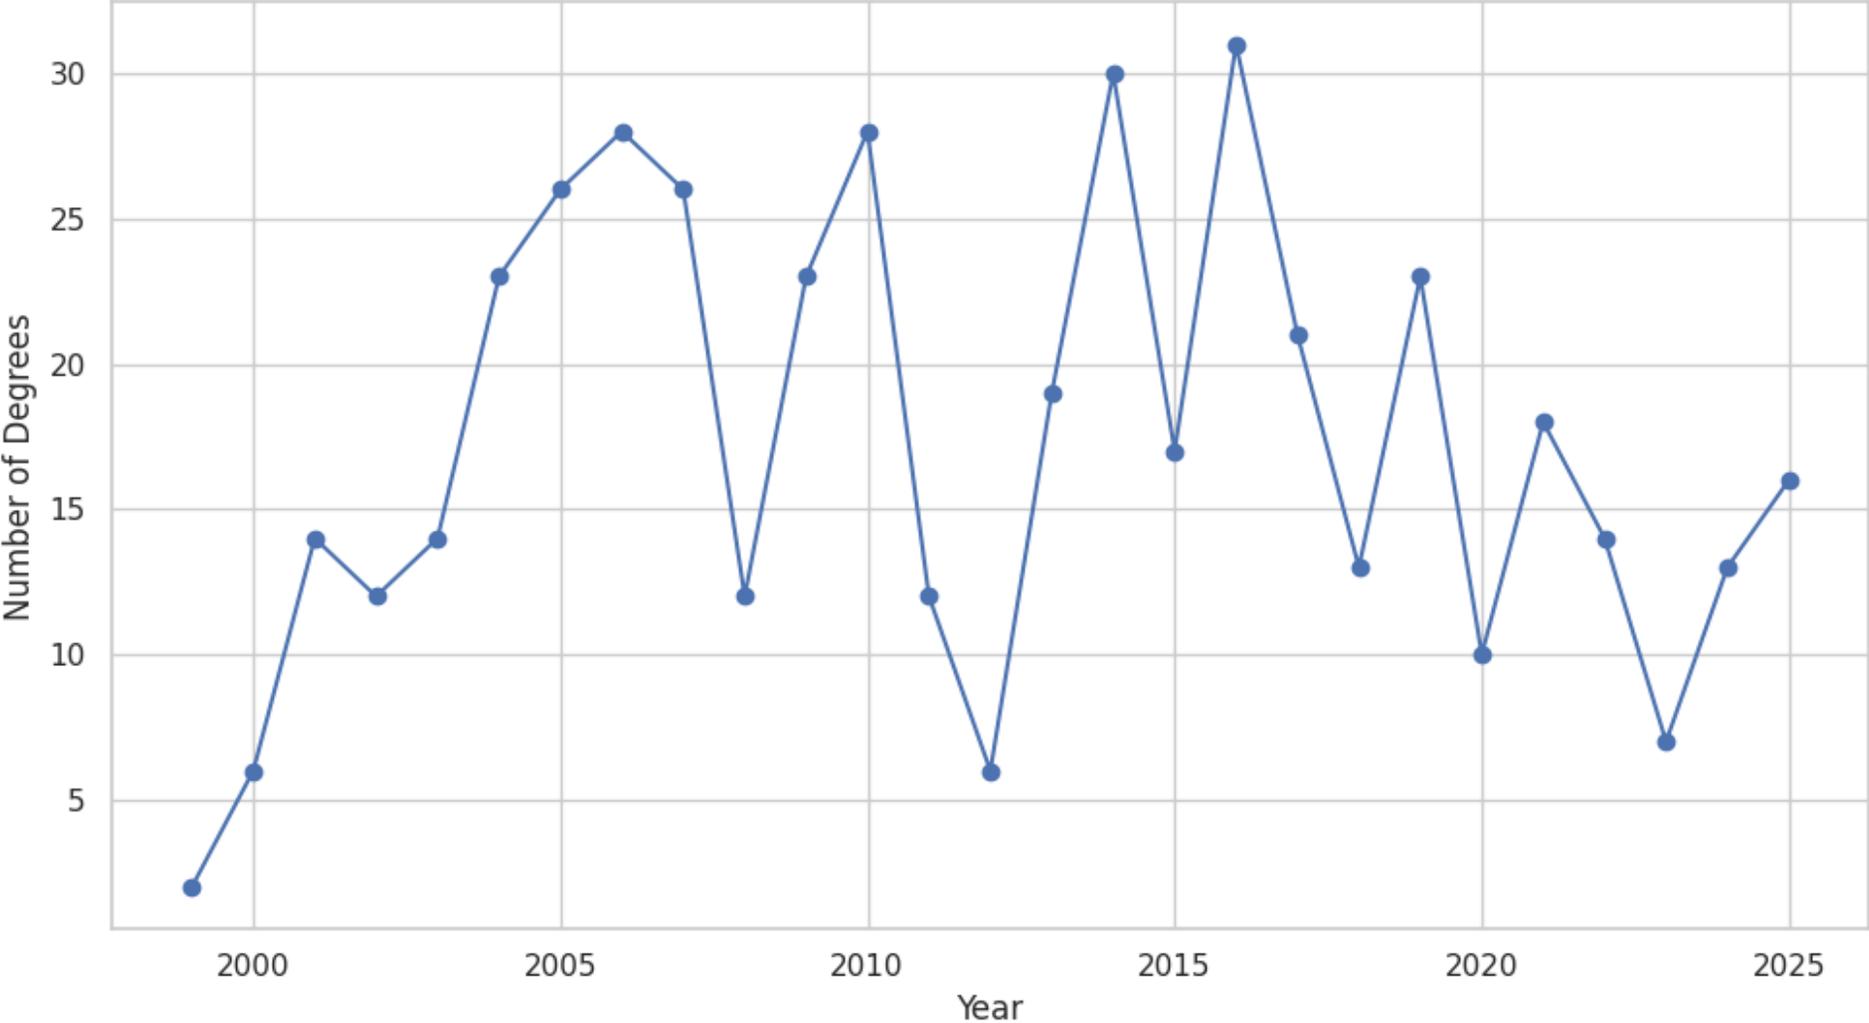

Awarded Graduate Degrees per Program per Year

Master in Engineering Management

Degrees Awarded per Year: Master in Engineering Management

Master of Business Administration

## Degrees Awarded per Year: Master of Business Administration

Master in Environmental Management

Degrees Awarded per Year: Master in Environmental Management

# Master in Civil Engineering

Degrees Awarded per Year: Master in Civil Engineering

Master in Manufacturing Engineering

Degrees Awarded per Year: Master in Manufacturing Engineering

Master in Manufacturing Competitiveness

Degrees Awarded per Year: Master in Manufacturing Competitiveness

Master in Electrical Engineering

Degrees Awarded: Master in Electrical Engineering
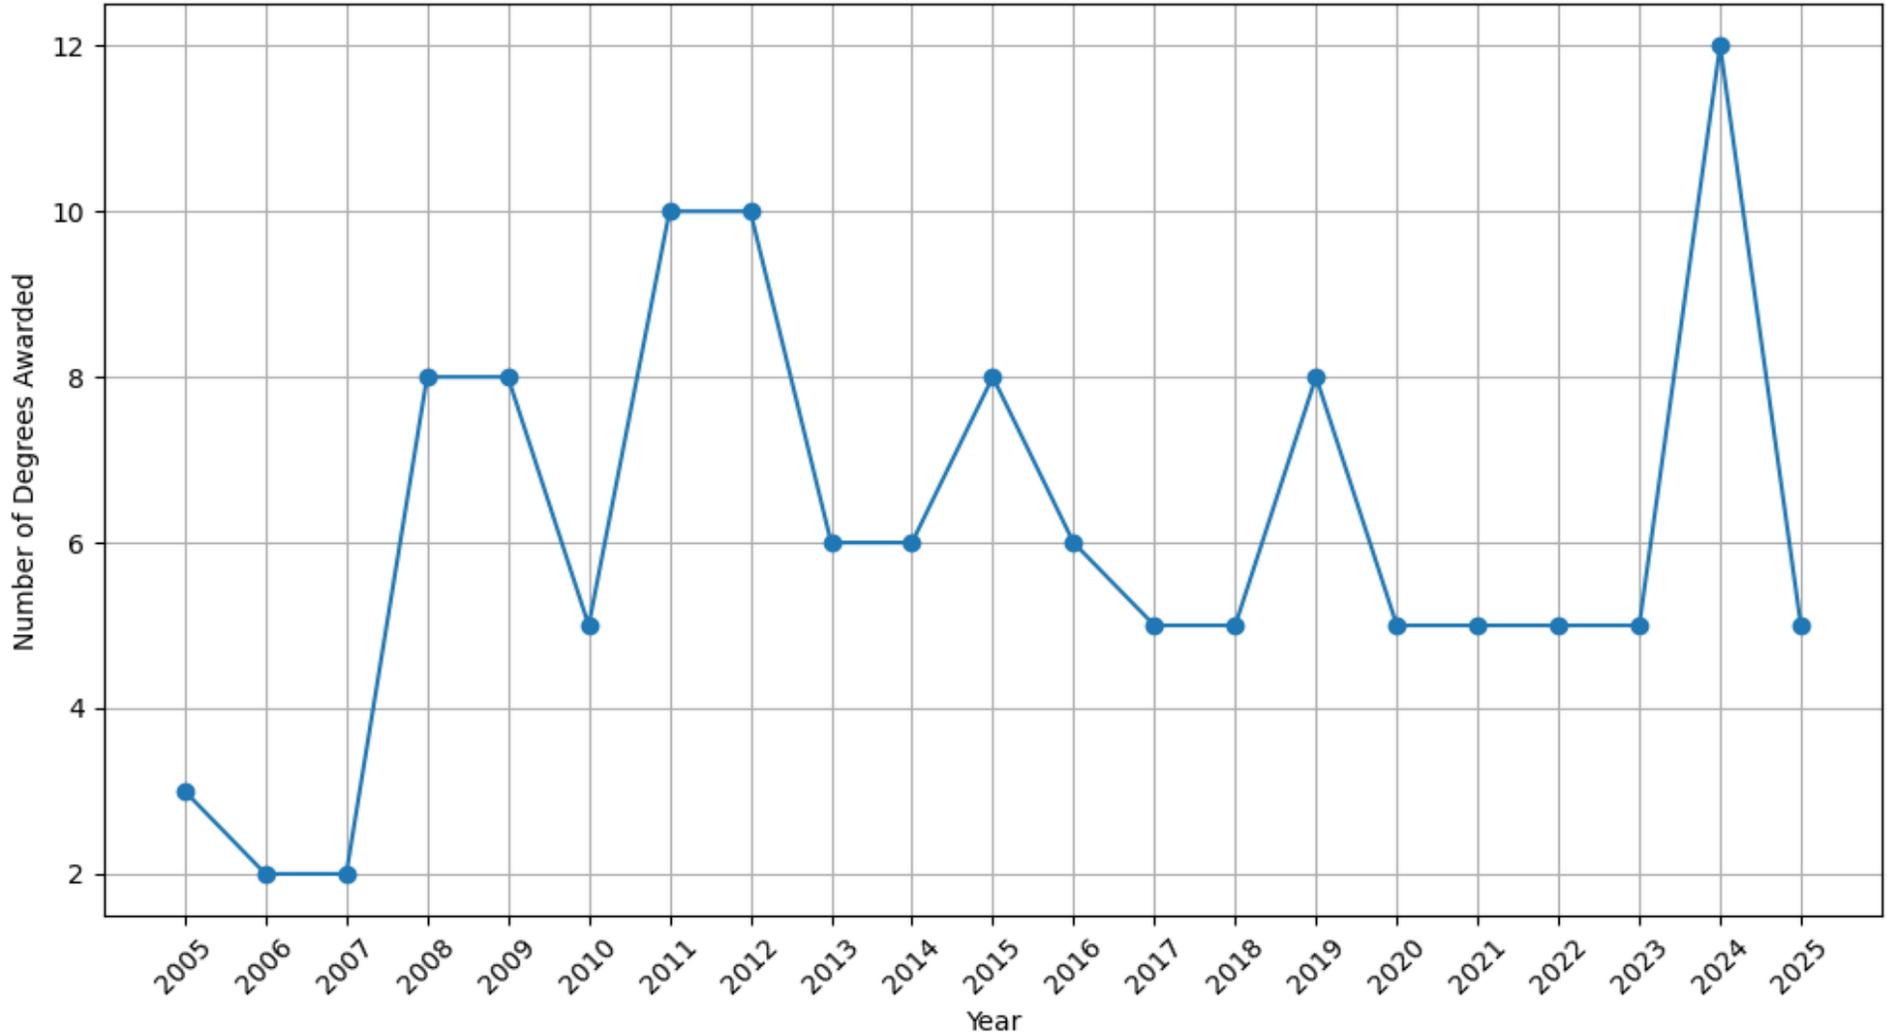

Master in Computer Engineering

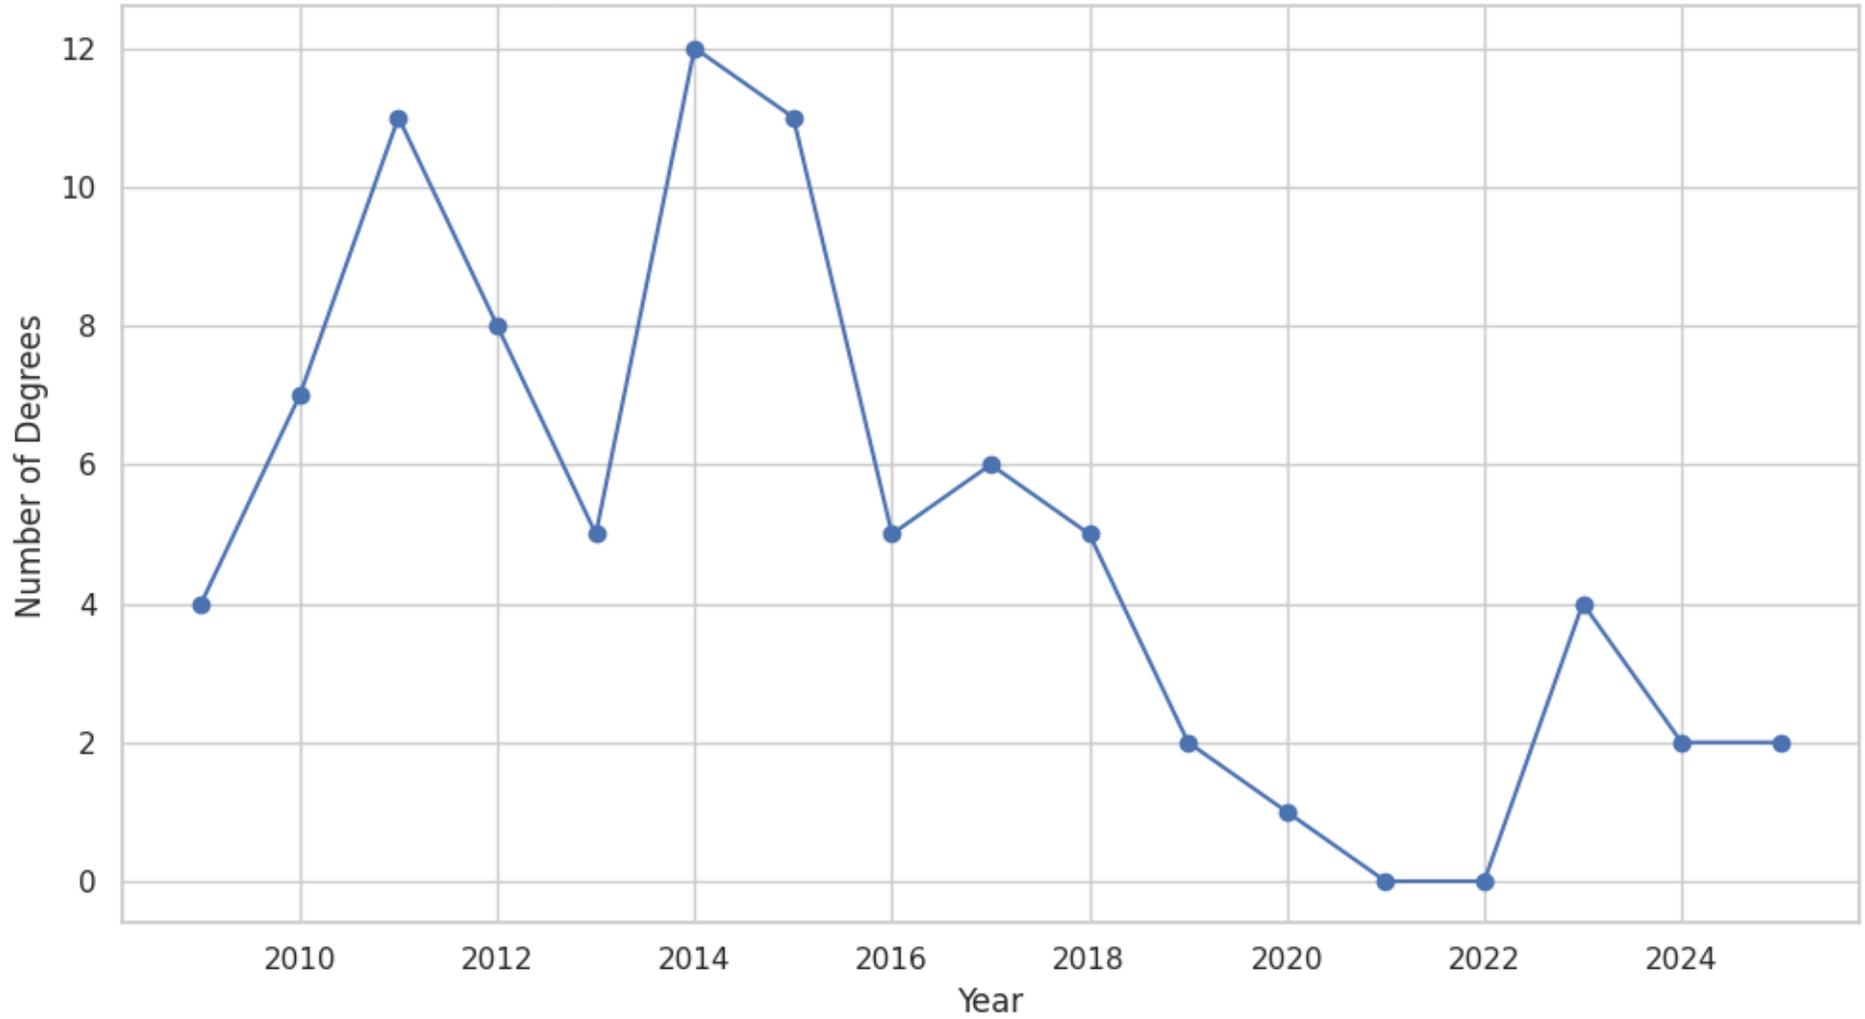

Degrees Awarded: Master in Computer Engineering
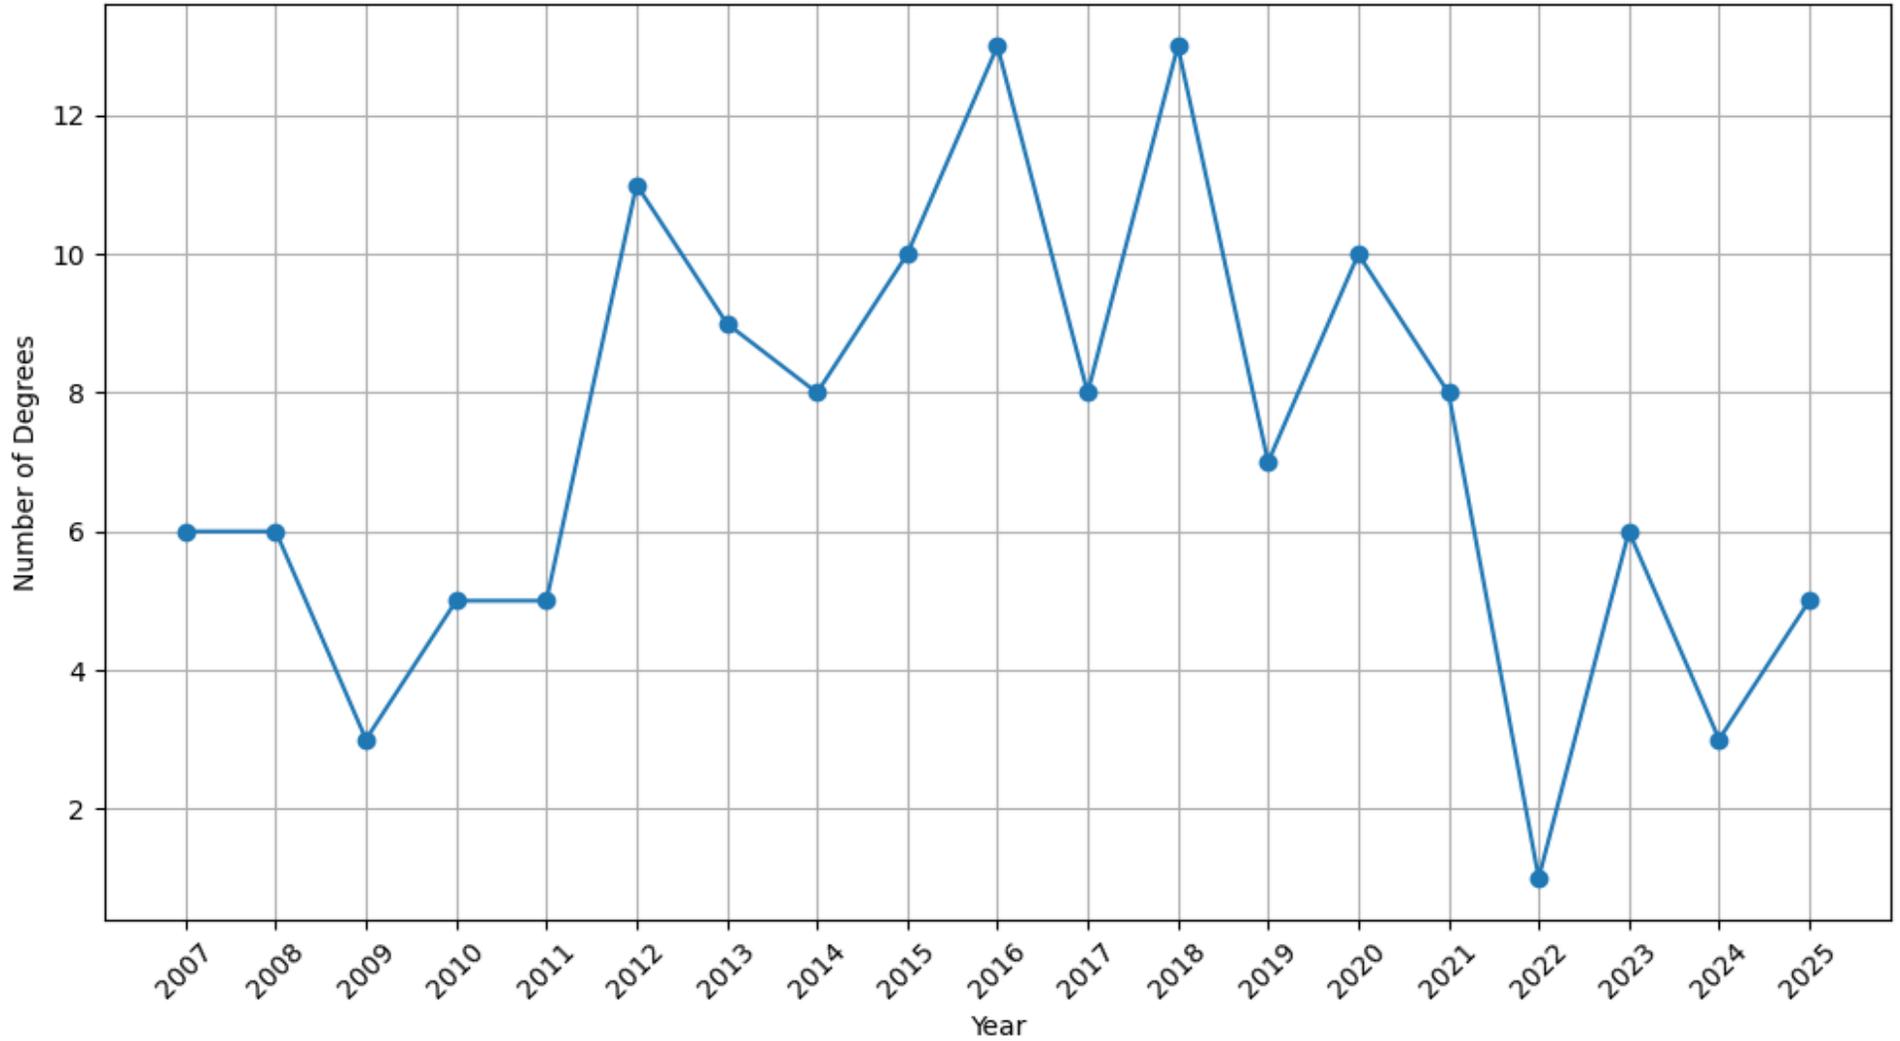

Master in Computer Science

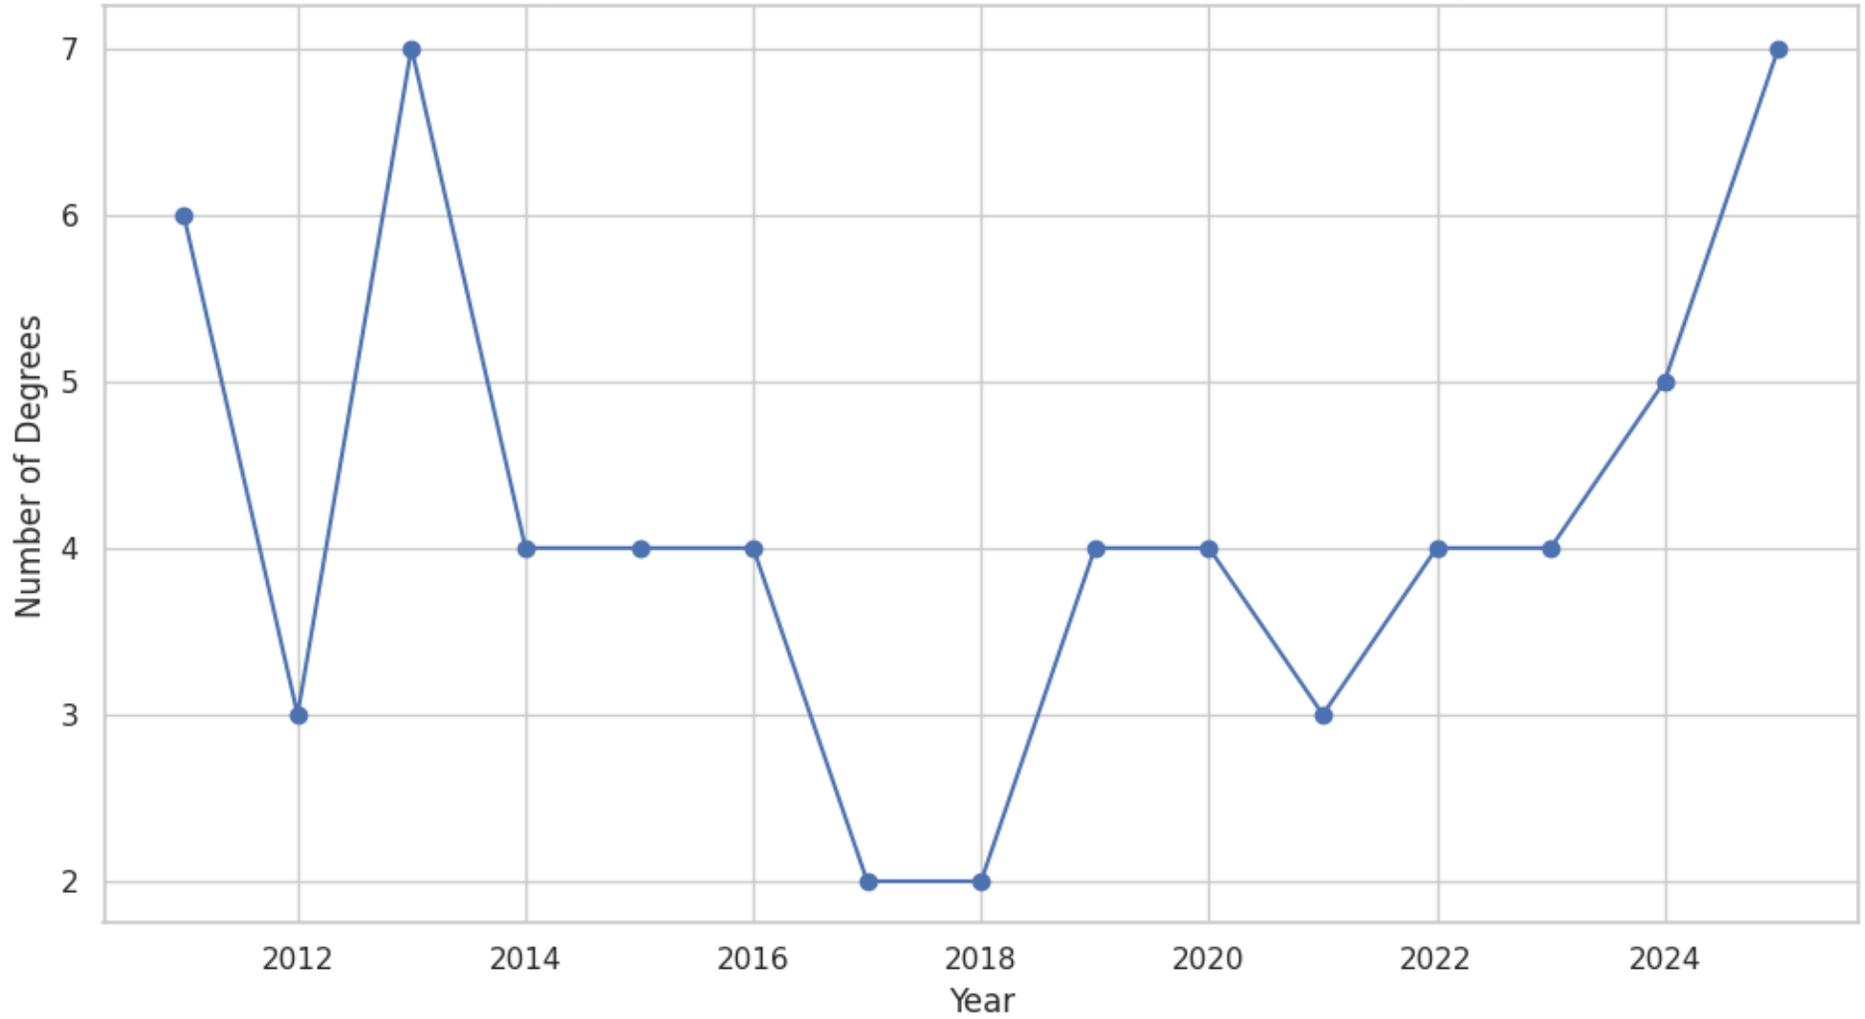

Degrees Awarded: Master in Computer Science
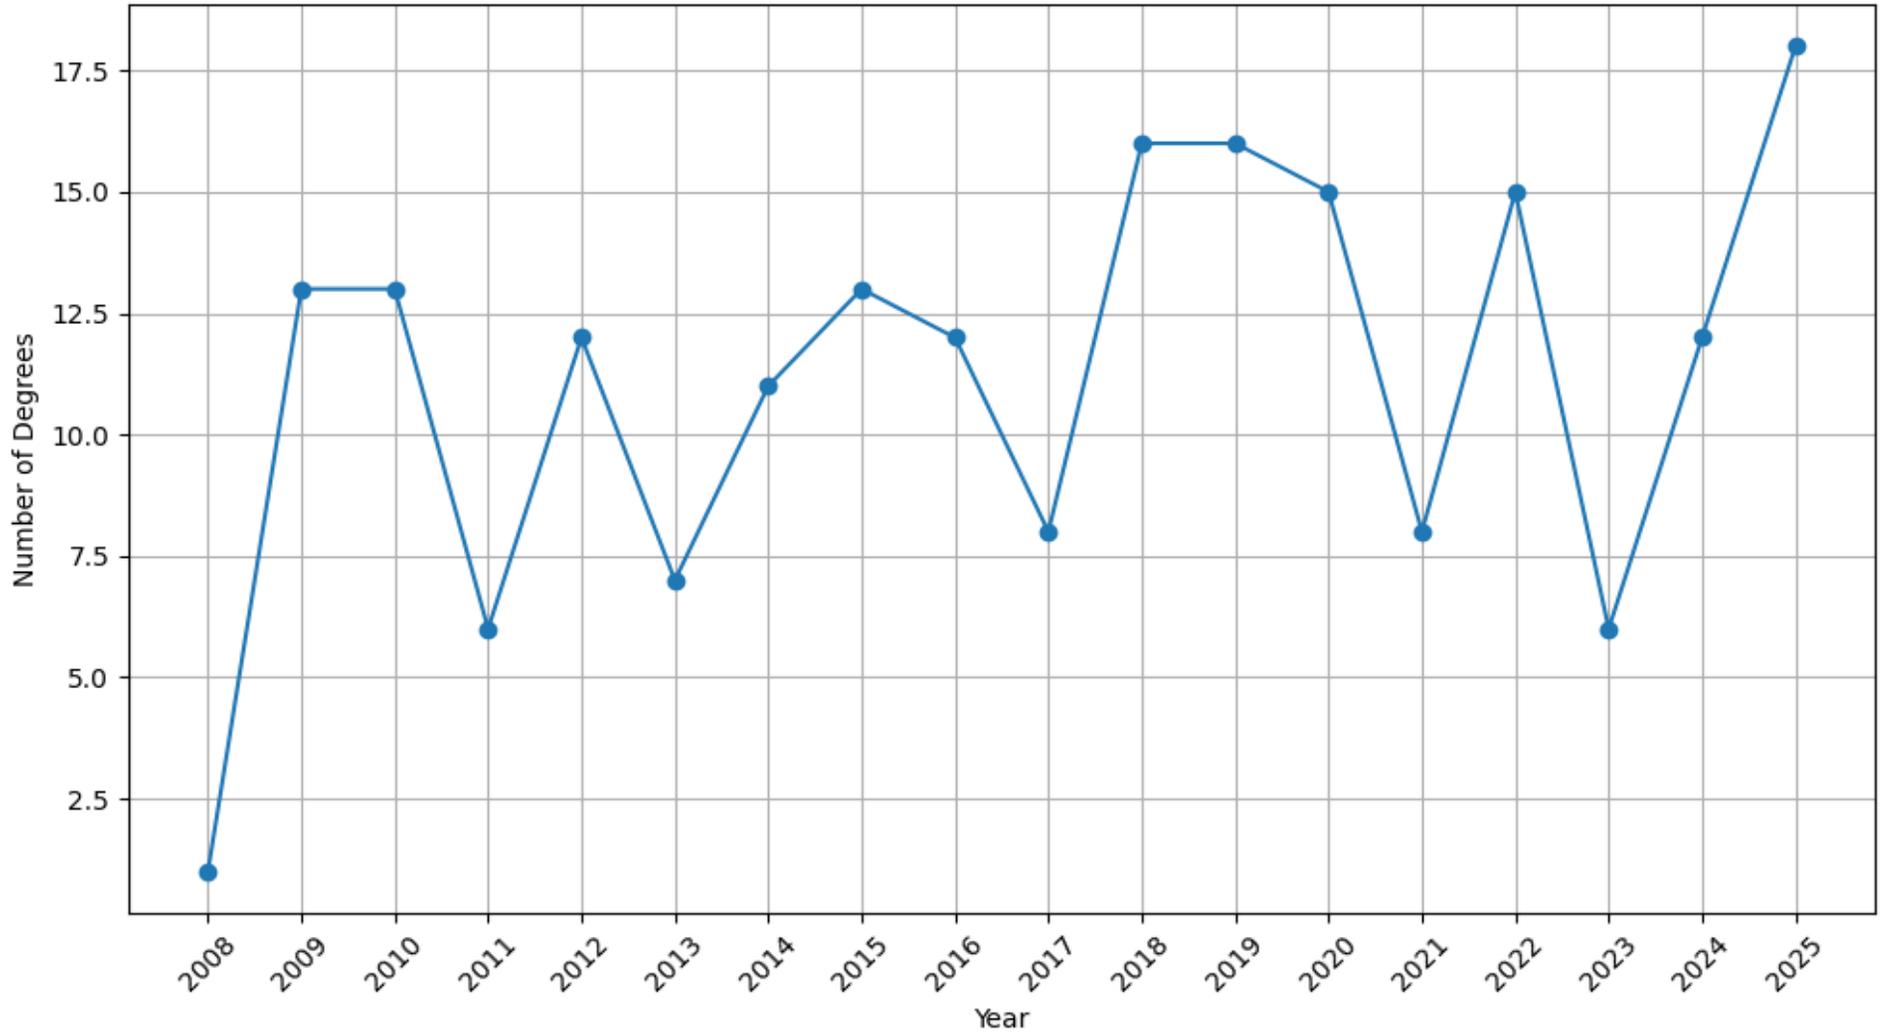

Master in Landscape Architecture

Degrees Awarded per Year: Master in Landscape Architecture

Master in Mechanical Engineering

Degrees Awarded per Year: Master in Mechanical Engineering

Master in Geospatial Science and Technology

Degrees Awarded per Year: Master in Geospatial Science and Technology

Master in Science in Education in Mathematics and Natural Sciences

Degrees Awarded per Year: Master in Science in Education in Mathematics and Natural Sciences

Master in Architectural Conservation and Rehabilitation

Degrees Awarded: Master in Architectural Conservation and Rehabilitation
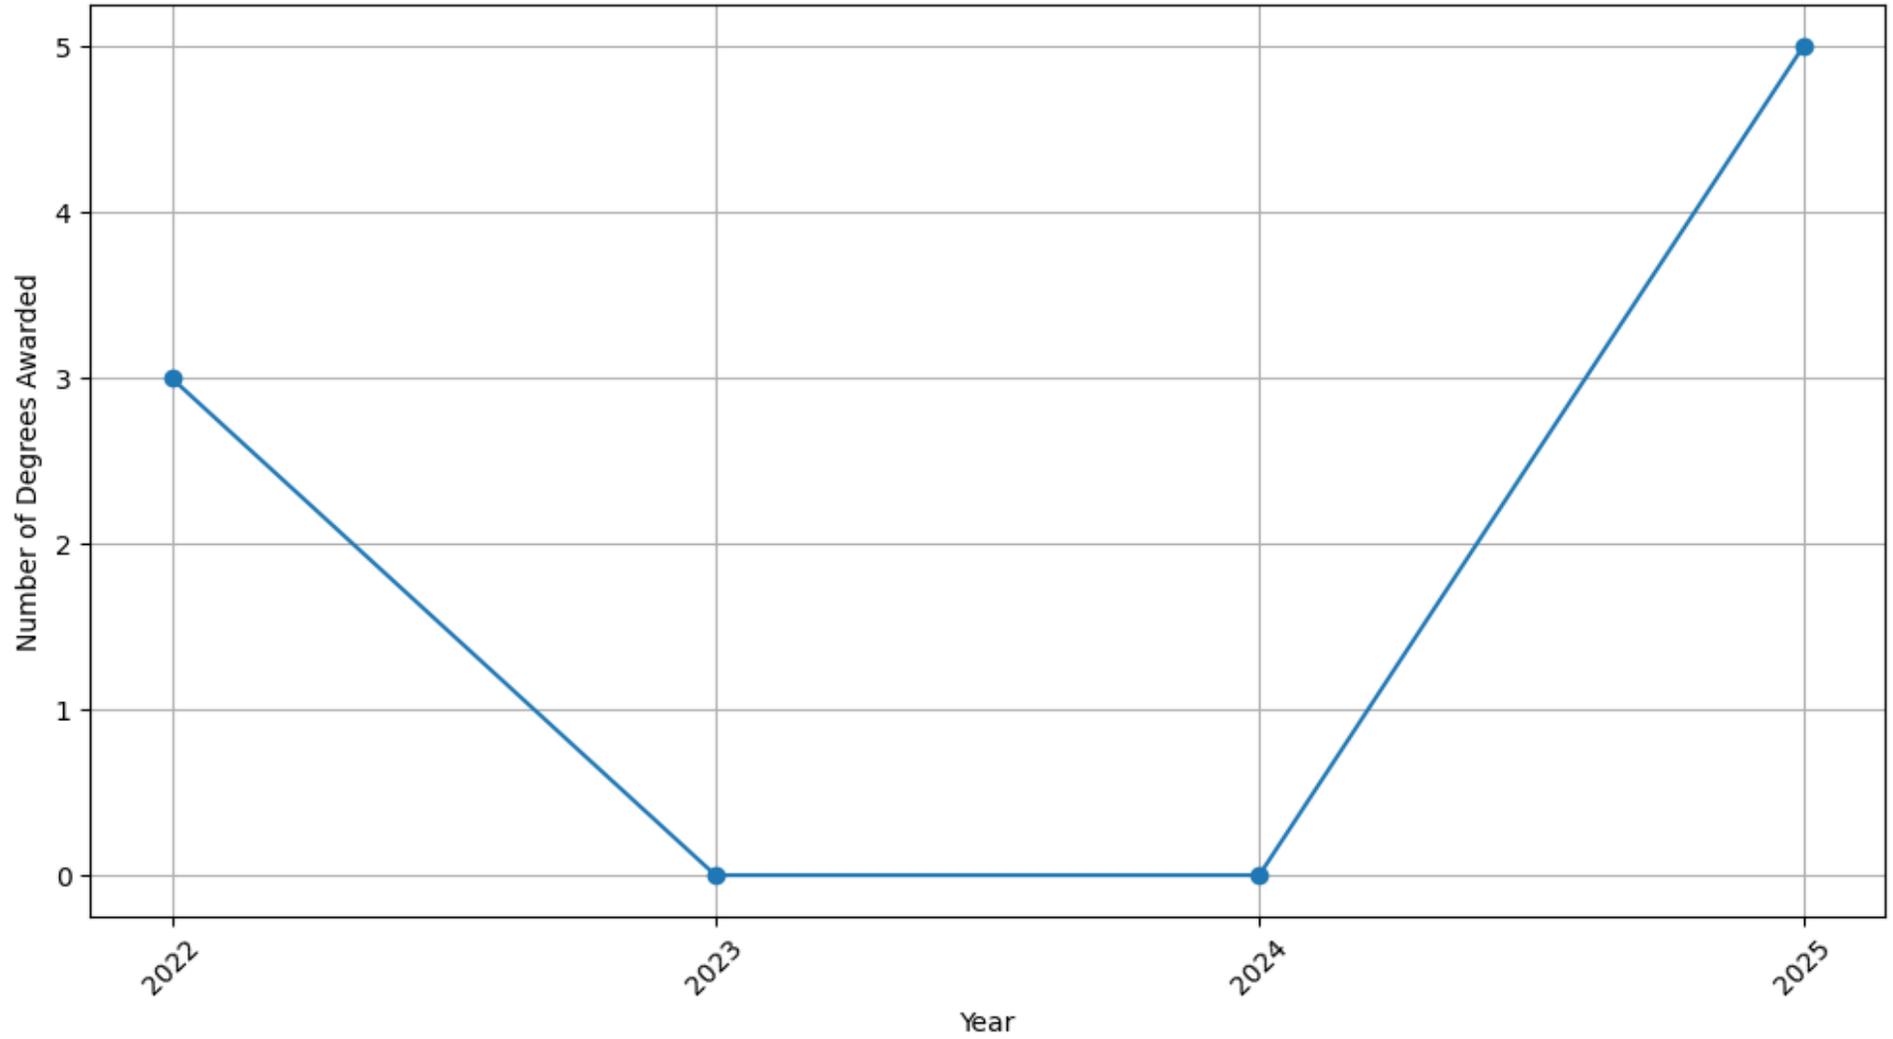

Doctor of Philosophy in Engineering and Applied Sciences

Degrees Awarded per Year: Doctor of Philosophy in Engineering and Applied Sciences
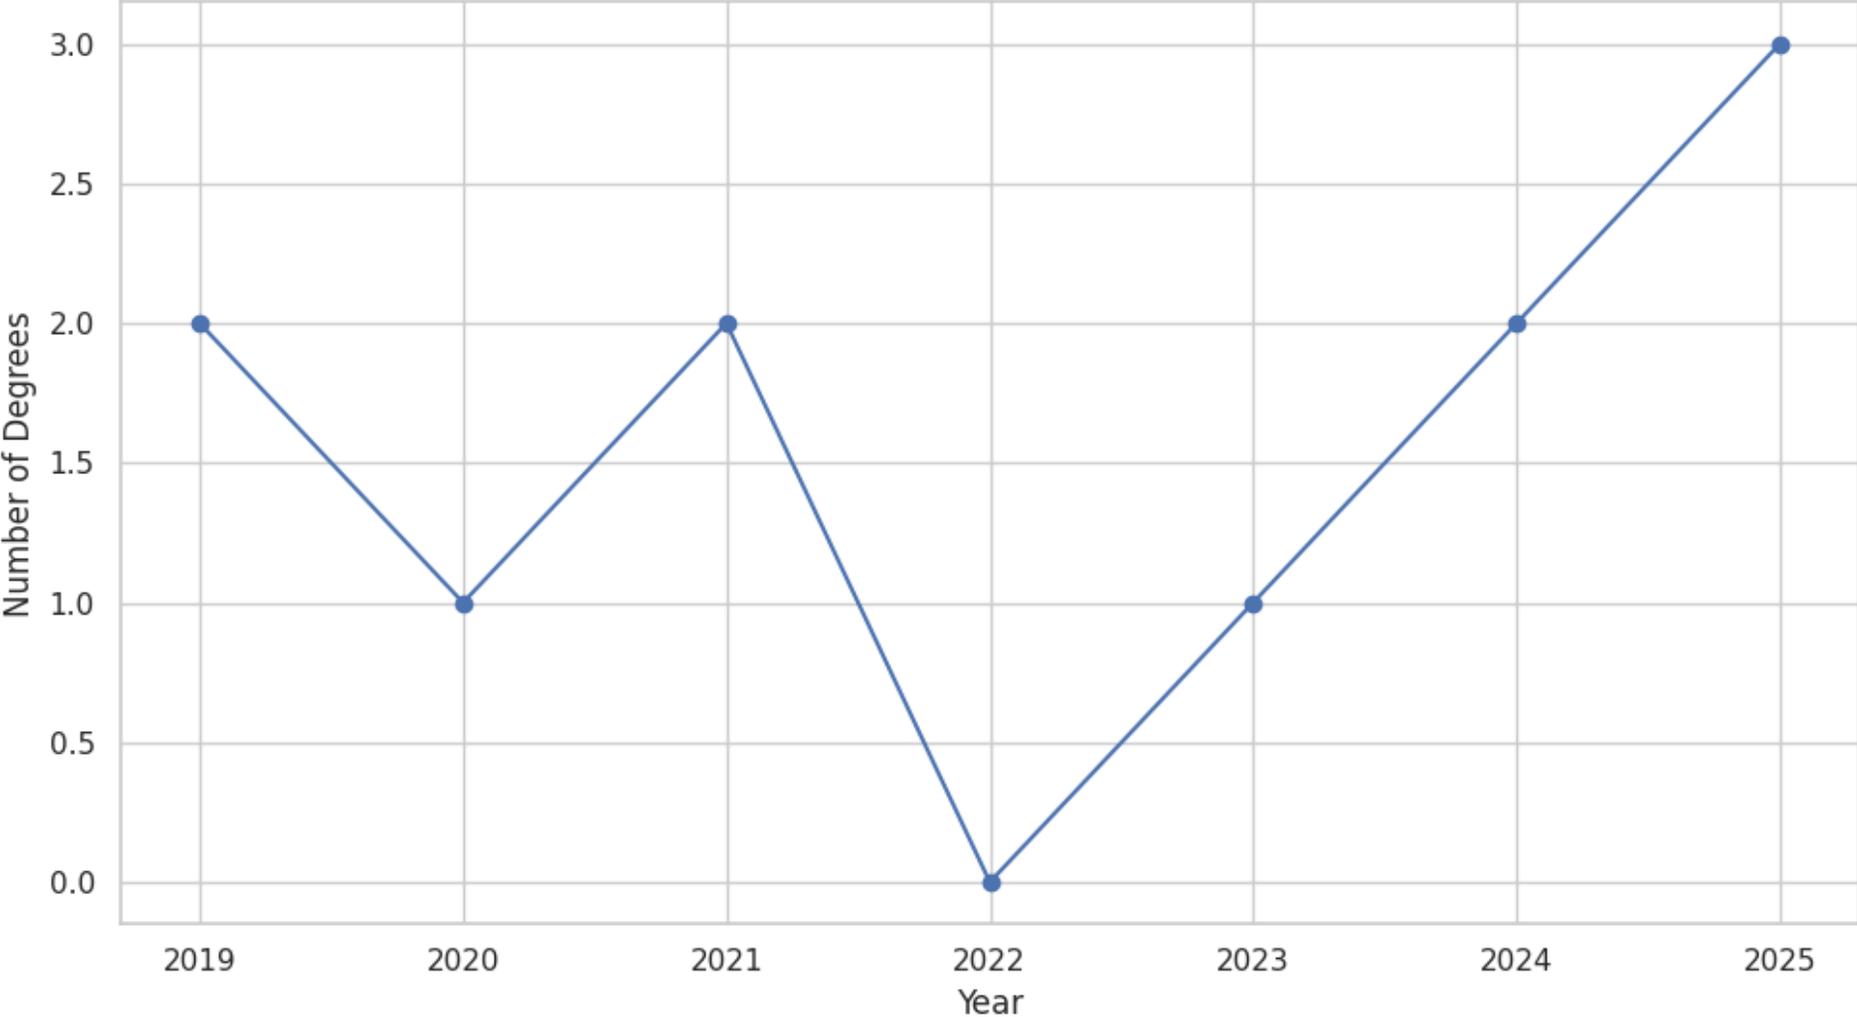

Total Awarded Degrees per Year
